- 7:30-8:00 Continental Breakfast
- 8:00-8:30 Introduction and Purpose of the Meeting  
Jean Jenkins, PhD, RN, FAAN and  
Kathleen Calzone, MSN, RN, APNG, FAAN
- 8:30-9:00 Building the Tool Kit to Bridge the Gap Between Genome Research and Clinical Care  
Alan Guttmacher, MD  
Deputy Director, National Human Genome Research Institute, NIH
- 9:00-10:00 What do faculty need to educate nurses about genetics and genomics?  
Felissa Lashley, PhD, RN, FACMG, FAAN  
Dean, Rutgers, The State University of NJ
- 10:00-10:15 Break
- 10:15-11:00 Overview of available genetic and genomic education resources  
Cindy Prows, MSN, RN  
Clinical Nurse Specialist, Cincinnati Childrens Hospital, Ohio
- 11:00-12:00 Discussion of gaps in nursing education resources  
Moderator: Jean Jenkins, PhD, RN, FAAN  
Senior Clinical Advisor, NHGRI, NIH
- 12:00-12:30 Discussion of product format options  
Moderator: Kathleen Calzone, MSN, RN, APNG, FAAN  
Senior Nurse Specialist (Research), NCI, NIH
- 12:30-1:30 Working Lunch: Discussion of the Competency Outcome Indicators  
Moderators: Jean Jenkins, PhD, RN, FAAN, Kathleen Calzone, MSN, RN, APNG, FAAN, Agnes Masny, MSN, RN, MPH, CRNP, Cindy Prows, MSN, RN
- 1:30-3:00 Discussion of what needs to be developed  
Moderator: Janet Williams, PhD, RN, PNP, FAAN  
Professor, University of Iowa
- Target Audience
  - Format/Methodology
  - Content
  - Learning Outcomes
- 3:00 Next Steps
- 3:30 Meeting Adjourns
