

**Society for Inherited Metabolic Disorders Annual Meeting 2007**  
**March 25-26, 2007**  
**Renaissance Hotel and Convention Center, Nashville, TN**  
**Contact: Dr. Ljubisa Vitkovic, (301) 402-1822(301) 496-3791**

**Summary**

The 2007 Annual meeting was held in Nashville, TN 3/25/07-3/26/07. Main topics of sessions included newborn screening, new advances in IEMs, trainee presentations, poster session, modifiers of clinical phenotypes, and clinical case review. The meeting attracted 348 attendees, the most ever, including 172 members of the SIMD, 149 non-members, and 27 trainees. 12 trainees received travel awards funded by this grant to attend the meeting. All gave oral presentations to the full meeting.
