

1st International Conference on Thymic Malignancies

August 20 (Thursday)

- 7:45-8:30 AM Breakfast/Poster Set up in Atrium; Registration/Meeting table on lower level
- 8:30-8:40 AM Opening Remarks and Welcome - Giuseppe Giaccone
- 8:40-8:50 AM The Foundation of Thymic Cancer Research– Alan Neibauer

Epidemiology and biology

Chairs: R. Gress and A. Marx

- 8:50 AM Epidemiology of Thymic Malignancies – Eric Engles
- 9:20 AM AIRE issues in thymoma- Alexander Marx
- 9:50 AM Autoimmune syndromes and thymoma: Myasthenia Gravis and others- Arthur Melms
- 10:20-10:40 AM Coffee/Break and Poster Viewing in Atrium
- 10:40 AM The Thymus and the Immune System - Ronald E. Gress
- 11:10 AM Biology of Thymic tumors – Philipp Strobel
- 11:40 PM Round Table: Research Issues in Immune disorders due to thymic malignancies
- 12:10-1:10 PM Lunch Break (on own) in Natcher Cafeteria and Poster Viewing in Atrium

Pathology, imaging and natural history of thymomas

Chairs: Maria Merino and James Huang

- 1:10 PM The WHO classification of thymic malignancies Michael Den Bakker

- 1:40 PM The need for a new classification – Cesar Moran
- 2:10 PM Molecular Classification of Thymic Malignancies - Ignacio Wistuba
- 2:40-3:00 PM Coffee/Break and Poster Viewing in Atrium
- 3:00 PM Imaging Techniques – Edith Marom
- 3:30 PM Clinical and Surgical Staging – Akira Masaoka
- 4:00 PM Case Presentations - Arun Rajan
- 4:30 PM Thymoma Foundation Patient Advocacy Group - Alan Blaustein
- 5:00 PM Round Table: Research issues in pathologic and clinical staging
- 5:30 PM Adjourn of general meeting
- 5:30-7 PM Global Consortium Meeting
- 7:15-9:30 PM Speaker's Reception and Dinner at FAES House (sponsored by FTCR)

August 21(Friday)

- 7:30-8:30 AM GCSTM committee briefing in E1/E2
- 7:45-8:30 AM Breakfast and Poster Viewing in Atrium

Treatment options for Early Stage Thymic Malignancies

Chairs: Frank Detterbeck and Ritsuko Komaki

- 8:30 AM Surgery for primary thymomas – Frank C. Detterbeck
- 9:00 AM Extended surgery for Thymic Malignancies – Cameron D. Wright

9:30 AM Reresection of recurrent disease – Marco Lucchi
10:00 AM Adjuvant Radiotherapy—Charles Thomas Jr.
10:30 AM Role of chemotherapy in resectable thymoma- Edward Kim

11:00-11:20 AM Coffee/Break and Poster Viewing in Atrium

11:20-11:35 AM Proffered Paper #1- Ritsuko Komaki

11:35-11:50 AM Proffered Paper #2-Angela Vincent

11:50 AM-12:05 PM Proffered Paper #3- Maureen Zakowski

12:05-12:20 PM Proffered Paper #4-by Nicolas Girard

12:20-1:20 PM Lunch Break (on own) in Natcher Cafeteria and Poster Viewing in Atrium

Chairs: Cesar Moran and Maureen Zakowski

1:20 PM Therapy for thymoma and thymic carcinoma in Japan-Kazuya Kondo

1:50 PM Round Table: Research issues for early thymic malignancies

Treatment options for Advanced Thymic Malignancies

Chairs: Patrick Loehrer and Giuseppe Giaccone

2:20 PM Chemotherapy for Thymic Malignancies – Patrick J. Loehrer

2:50 PM Targeted therapy in Thymic Neoplasms – Giuseppe Giaccone

3:10-3:20 PM Coffee/Break and Poster Viewing in Atrium

3:20 PM	Combined modality therapy – Gregory Riely
3:50 PM	Survivorship issues in thymic malignancies – Ola Landgren
4:20 PM	Round Table: Research issues in advanced thymoma
4:50- 5:00PM	Closing Remarks- Giaccone
5:00-5:20 PM	Adjourn and Poster Removal
