

7th International Meeting on Copper and Interacting Metals in Biology
October 16 - October 20, 2010
Alghero, Sardinia, Italy

Program Outline

Saturday, October 16: Arrival

18.00 - 22.00 Registration and welcome reception

Sunday, October 17: S1 Copper Transport Mechanisms

08.45 - 09.00 Welcome

09.00 - 10.30 Plenary talks

10.30 Coffee break

11.00 - 13.00 Plenary and short talks

13.30 Lunch

S2 Cell Biology of Copper, Part I

15.00 - 17.00 Plenary and short talks

17.00 - 19:30 Poster viewing and drinks

Monday, October 18: S2 Cell Biology of Copper, Part II

09.00 - 10.30 Plenary talks

10.30 Coffee break

11.00 - 13.00 Plenary and short talks

13.30 Lunch

S3 Copper in Plants

15.00 - 17.00 Plenary and short talks

17.00 - 19.30 Poster viewing and drinks

Tuesday, October 19

09.00 - 09.45 **S4 Arturo Leone Young Investigator Award**

S5 Copper Related Diseases

09.45 - 10.15 Plenary talks

10.15 Coffee break

10.45 - 12.45 Plenary and short talks

13.00 Lunch

14.00 Departure for excursion

Wednesday, October 20: S6 Copper-Protein Interactions

09.00 - 10.30 Plenary talk

10.30 Coffee break

11.00 - 13.00 Plenary and short talks

13.30 Lunch

S7 Copper-Sensing and Dynamics

15.00 - 17.00 Plenary and short talks

18.00 S8 David Danks Memorial Lecture

20.00 Banquet

Thursday, October 21: Departure
