

Frontiers in Ichthyosis Research Scientific Meeting

A scientific meeting of international experts in ichthyosis research will take place from Wednesday, June 23 through Friday, June 25 at the Regal Sun Resort in Orlando, FL.

Program

◆ **Frontiers in Genetic Diagnosis**

Judith Fischer, PhD - Centre National de Genotypag
Eli Sprecher, MD, PhD - Tel Aviv Sourasky Medical Center
Keith Choate, MD, PhD - Yale University
Amy Paller, MD - Northwestern University

◆ **Frontiers in Understanding Pathogenesis**

William Rizzo, MD - University of Nebraska
Michael Fitzgerald, PhD - Harvard Medical School
Peter Elias, MD - University of California San Francisco
Pierre Coulombe, PhD - Johns Hopkins University
Hiroshi Shimizu, MD, PhD - Hokkaido University

◆ **Frontiers in Shared Reagents/Resources**

Dennis Roop, PhD - University of Colorado
Roger Kaspar, PhD - Transderm, Inc.
Mary Williams, MD - University of California San Francisco
Robert Rice, PhD - UC Davis
Suephy Chen, MD - Emory University

◆ **Frontiers in Preparing for Clinical Trials**

Sancy Leachman, MD, PhD - University of Utah
Heiko Traupe, MD - University Hospital, Muenster
Philip Fleckman, MD - University of Washington

◆ **Frontiers in Physician/Scientist/Patient Collaboration**

Epidermolytic Hyperkeratosis and other Keratinopathies
Lamellar/Transglutaminase 1 deficiency
Netherton Syndrome
CIE - ARCI (Autosomal Recessive Congenital Ichthyosis)
Undiagnosed

The meeting agenda is designed to combine reports of recent progress in a few cutting-edge areas of ichthyosis research and discussion about how to efficiently and effectively move research forward.

Number of attendees is limited. Interested physicians and scientists can register to attend on FIRST's website at www.firstskinfoundation.org.
